Summary

The meme. The legend. The Drop & Run Cobalt 60 Source Cylinder.

[Costumes & Accessories](#) > [Props](#)

Modeled after the original as best as I could from the few photos I was able to find online. Size is a rough guess since I couldn't find any size reference online, but it seems to have a 4:1 aspect ratio, so I made it 4 inches high and 1 inch in diameter cause those seemed like reasonable numbers I guess.
