## Summary

Travel case for two cigars.

Tags: [case](#) [smoking](#) [travel](#) [cigar](#)

Travel case for two cigars. Should hold cigars up to 6.25 x 54. I printed it in PLA+ on an Ender 3 v2 using the default dynamic quality settings in Cura with support turned off.

Of course this isn't a humidor substitute, just a case to provide crush protection in travel.
